PROFESSIONAL SUMMARY

B.E. ENTC student & Full-Stack Developer with strong MERN skills and real client experience. Built secure, production-ready web applications including billing systems and an Airbnb-style platform. Cybersecurity enthusiast seeking internship opportunities.

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JS, React, Bootstrap, Tailwind
 - **Backend & DB:** Node.js, Express.js, MongoDB, SQL
 - **Languages:** JS, Python, C
 - **Tools:** Git, GitHub, VS Code
-

PROJECTS

I) SmartBill Pro — React (Vite), Node.js, Express.js, MongoDB, CSS, JavaScript, JWT

[Live Demo](#) | [GitHub](#)

- Designed and developed a full-stack billing and inventory management system with secure admin **authentication** using **JWT & bcrypt**.
- Implemented product **CRUD** operations, real-time search, dynamic billing, and automated total calculation.
- Built responsive dashboard UI using React Router and optimized **REST APIs** for high performance and scalability.

II) StayEase (Airbnb Clone) — HTML, CSS, JavaScript, Bootstrap, Node.js, Express.js, MongoDB

[Live Demo](#) | [GitHub](#)

- Created a fully responsive booking platform with user **authentication**, **session management**, and **encrypted password** storage.
 - Designed **RESTful APIs** and implemented role-based authorization using **JWT**.
 - Deployed live application on Render ensuring smooth **UI/UX** and production stability.
-

EXPERIENCE

I) Rhythm & Tunes — Music Platform (10 Days)

- Developed a responsive music website using HTML, CSS, JavaScript, and AOS animations with modern UI/UX.
- Delivered the project on time (10 days), meeting all client requirements.

II) Portfolio Website for Digital Marketer — Dynamic React Application (1 Month)

- Developed a dynamic, responsive professional portfolio using React.js, featuring reusable components and optimized rendering.
 - Ensured design and features aligned with client's business objectives through close collaboration.
-

EDUCATION

I) Smt. Kashibai Navale College of Engineering, Pune

B.E. Electronics & Telecommunication (2024 – 2028)

CGPA: **8.91 (Sem 1), 8.66 (Sem 2)** — Currently in 2nd Year, 3rd Semester

II) Jawahar Navodaya Vidyalaya, Tuljapur (2017 – 2024)

Selected through national competitive examination (**<1% selection rate**).

Maintained strong academic performance throughout schooling.
